GILA VALLEY, GLOBE AND NORTHERN RAILWAY
COMPANY.

DECEMBER 16, 1897.—Committed to the Committee of the Whole House on the state
of the Union and ordered to be printed.

Mr. FISCHER, from the Committee on Indian Affairs, submitted the
following

REPORT.

[To accompany H. R. 4769.]

The Committee on Indian Affairs, to whom was referred House bill 4769, submit the following report:

The Gila Valley, Globe and Northern Railway Company, under authority granted by Congress February 18, 1895, have constructed and are operating a railroad from Bowie Station, on the Southern Pacific Railroad, to the southern line of the San Carlos Indian Reservation, but have not constructed beyond that point, although authorized so to do, because of the inability to procure consent from the Indians on that reservation as therein required; and as the time for completion of said road is about to expire, through no apparent fault upon the part of the corporation, an extension of time is asked for; and the Committee on Indian Affairs beg to favorably report said bill with an amendment, striking out the word "four" in line 11 of page 1, and insert in lieu thereof the word "two."
